## Rules of the 'Cue

All our meats are smoked low & slow with real wood for an authentic American BBQ taste. This may mean that your meat will have a pinkness or pink ring, don't fret we ensure all our meats are cooked to the correct core temperatures. Due to the length of time we smoke our meats we may/will run out of some items. We apologise in advance.

For food allergen advice please ask a member of our team before ordering.
